Dear Dr. Nantes,

Continued Certification to ISO 9001:2015

Based on the results of the fourth surveillance audit on 14 August 2020, the continued certification of your quality management system (QMS) to ISO 9001:2015 is hereby approved by Certification International Philippines, Inc.

The audit found your QMS maintained in accordance with the requirements of ISO 9001:2015. It reported the strengths of your QMS and the activities that have been initiated by your different departments to meet their quality objectives and to ensure external and internal customer satisfaction.

Finally, we encourage your management team to consider the opportunities for continual improvement that were discussed during the audit. We anticipate that your appropriate actions on these would escalate the effectiveness of your QMS as a tool for continual improvements and as a guide for meeting organizational performance objectives. Subsequent audits will track the progress and results of these improvement actions.

Very truly yours,
CERTIFICATION INTERNATIONAL
