## REFERENCE FOR CANVASS OF SUPPLIES

**NOTE:** We prefer to have the GoPro Hero10 and its associated mounts and accessories, so we can fully maximize the use of this waterproof video camera.

### PRODUCT DETAILS:

#### 1.) Waterproof Video Camera

Photo: 23MP  
5.3K: 60fps  
4K: 120fps  
Video stabilization: HyperSmooth 4.0  
LCD: Front and Rear (Touch screen)  
Battery: Removable 1720mAh Lithium-Ion  
Slow-mo: 8X  
Waterproof: 33ft (10m)  
Processor: GP2  
Cloud compatibility: Auto upload to GoPro cloud (Sub required)  
Voice control: Yes  
Livestreaming: 1080p

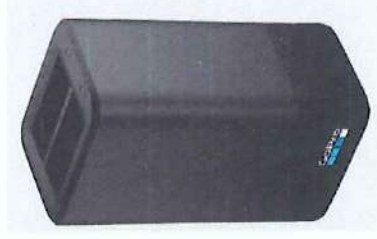

#### 2.) Waterproof Video Camera Battery

- 1720mAh lithium-ion rechargeable battery
- Use as a spare or replacement battery for GoPro Hero10

#### 3.) Waterproof Video Camera Dual Charger

- Conveniently charges 2 MAX batteries using a USB port
- Optimizes charging so you'll get a fully charged battery as quickly as possible
- Allows you to charge your spare batteries while you use your camera
- Dual LED lights display charging status of both batteries
- Includes a spare 1600mAh lithium-ion MAX Battery
- For faster charging, use it with the GoPro Supercharger (International Dual-Port Charger)

#### 4.) Waterproof Video Camera Protective Housing

- Protects HERO10 from mud, dirt and debris during extreme activities
- Front LCD screen remains accessible for viewing
- Waterproof down to 196ft (60m)—perfect for deep-water diving

- Includes a skeleton backdoor for improved audio capture<sup>1</sup> and easy access to the camera's touch screen
- A flat glass lens makes for sharp, high-quality images above and below water

### 5.) Waterproof Video Camera Arm/Tripod

- Integrated ball joint lets you change your camera angle without having to reposition the mount
- Built-in tripod quickly folds out to provide a stable shooting platform for time lapse shots, group photos and more
- Ergonomic design makes the grip comfortable to use even during all-day adventures
- Folding extension arm acts as a handheld boom for selfies, follow-cam footage and getting closer to the action
- Captive hardware makes it impossible to lose individual pieces
- Standard GoPro mounting base makes it easy to switch your camera between mounts
- Waterproof construction for use in and out of the water
- Measures 19.5in (49.53cm) when fully extended and collapses to 8in (20.32cm)

### 6.) Waterproof Video Camera Chest Mount

- Lightweight, flexible construction balances comfort and performance
- Padded and breathable materials stay comfortable during any activity
- Fully adjustable to fit a wide range of body types and over heavy winter jackets
- Specially designed quick-release buckle lets you get in and out easily—even with gloves on
- Stable platform for capturing incredibly immersive hands-free footage with your GoPro camera

### 7.) Waterproof Video Camera Sleeve and Lanyard

- Adjustable lanyard keeps your GoPro ready for action—great for wearing around your neck or attaching to your gear
- Mount your camera with the sleeve on, and protect it from scratches without adding extra bulk
- Comes in a variety of colors to personalize your GoPro
- Allows access to camera buttons, folding fingers and front and rear screens
- When not using your lanyard, it's super easy to remove it with the quick-release clip

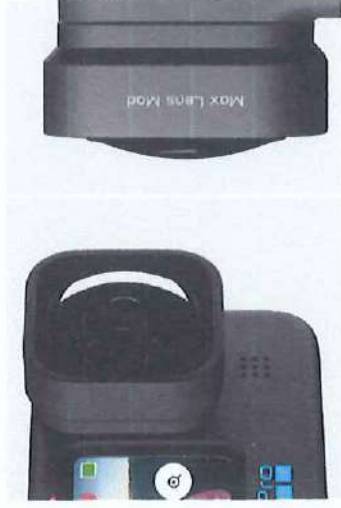

### 8.) Waterproof Video Camera Display Mod (Front Facing Camera Screen)

- 2-inch flip-up screen makes vlogging easy
- Built-in rechargeable battery and micro-HDMI connector
- Folding design for easy storage and transport
- Compact and sturdy with a low-profile appearance
- Connects to HERO10 via the required Media Mod

### 9. Waterproof Video Camera Max Lens Mod

- Max HyperSmooth for unbreakable video stabilization up to 2.7K60
- Ultra-wide angle 155° FOV for enhanced perspective and improved depth of field
- Horizon lock keeps your videos on the horizontal or vertical axis, even if your camera is mounted off-center or rotates a full 360°
- Max TimeWarp for our smoothest TimeWarp video yet.
- Waterproof to 5M when installed on a HERO camera.

### 10.) 256GB Micro SDXC Memory card for Waterproof Video Camera

- UHS Speed Class 1 (U3) and Class 10 to record 4K video, Full HD video (1080p) and other various video modes supported by GoPro cameras
- Designed to withstand water, temperature, shock, and X-rays. It can function in nearly any climate thanks to its operational temperature range of negative 13 to 185 degrees Fahrenheit
- Works with GoPro—verified by GoPro to be compatible with GoPro cameras Western Digital Technologies, Inc. is the seller of record and licensee in the Americas of SanDisk® products.
